Annexes :-

Dear Sir,

We would like to express our sincere gratitude for the help you provided in the presentation of the Russian Army in 1919 - 1922 in the framework of the temporary exhibition in the Royal Army and Military History Museum dedicated to the consequences of the Great War.

Please be informed that the War Heritage Institute is considering a proposal of the "Russian Knights" Foundation on our participation in the project "The Belgian Armoured Car Battalion in the Russian Army in the Great War".

We will be ready to discuss all details of our future collaboration during a visit of the "Russian Knights" representatives to Brussels.

Yours sincerely,
